NOTICE OF CLASS ACTION AND PROPOSED SETTLEMENT

IF YOU PURCHASED CERTAIN ABBOTT LABORATORIES INFANT FORMULA PRODUCT(S) BETWEEN JUNE 24, 2016, AND SEPTEMBER 22, 2022, A CLASS ACTION SETTLEMENT MAY AFFECT YOUR RIGHTS

A court authorized this notice.

You are not being sued. This is not a solicitation from a lawyer.

- A proposed Settlement has been reached in a class action lawsuit (the “lawsuit”) called *Ramsey-Standage v. Abbott Laboratories*, pending in Phelps County Circuit Court, Missouri. The lawsuit alleges that (i) the Label on certain infant formula Products manufactured by Abbott Laboratories states that the Products are capable of making a specified number of liquid 4-ounce bottles of formula, and (ii) the Products do not always yield the represented number of 4-ounce bottles of liquid formula when consumers follow the “Instructions for Preparation & Use” on the Label. Accordingly, the lawsuit alleges that the Products were inaccurately Labeled. Abbott Laboratories denies these allegations and asserts that its Labeling and marketing is truthful and entirely accurate, and its Products yield the number of 4-ounce bottles of liquid formula represented on the Label, but Abbott Laboratories has settled this case to avoid further litigation and distraction of resources from its business.
- You are included in the Settlement if, between June 24, 2016, and September 22, 2022, you purchased for personal use (*i.e.*, not for resale) at least one or more specific infant formula Products manufactured by Abbott Laboratories.
- The list attached as Exhibit A contains the Abbott Laboratories brand formula Products that are included in the Settlement.
- To Settle the lawsuit, Abbott Laboratories has agreed to:
 - Make changes to the Label on certain Products; and
 - Provide a maximum of \$19,500,000 to pay the following: Valid Claims to individuals who live in the United States and purchased certain Abbott Laboratories brand formula Products for personal use during the Class Period, Attorneys’ Fees and Costs, Administration Expenses, and Class Representative Service Awards.

Your legal rights will be affected regardless of whether you do or do not act. Read this Notice carefully.

This Notice explains the following rights and options—**and the deadlines to exercise them.**

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT	
SUBMIT CLAIM	You must submit a Claim to get money from this Settlement. Claim Forms must be submitted online or postmarked by January 31, 2023.
DO NOTHING	If you do nothing, you remain in the Settlement, you give up your rights to sue Defendant about the same legal claims made in this lawsuit, and you will not get money from the Settlement.
EXCLUDE YOURSELF	Get out of the Settlement. Get no money from the Settlement. Keep your rights. This is the only option that allows you to keep your right to sue Abbott Laboratories about the claims in this lawsuit. You will not get any money from the Settlement. Your request to exclude yourself (Opt-Out) must be RECEIVED by December 14, 2022.
OBJECT	Stay in the Settlement, but tell the Court why you think the Settlement should not be approved. Objections must be RECEIVED by December 14, 2022.
GO TO A HEARING	You can ask to speak in Court about the fairness of the Settlement, at your own expense. See Questions 17-19 below, for more details. The Fairness Hearing is scheduled for December 29, 2022.

The Court in charge of this lawsuit has preliminarily approved the Settlement and will hold a hearing to make a final decision to approve it. The proposed relief offered to Class Members will be provided only if the Court gives final approval to the Settlement and, if there are any appeals, after the appeals are resolved in favor of the Settlement.

GET MORE INFORMATION

21. How do I get more information about the Settlement?

BASIC INFORMATION

1. Why did I get this Notice?

You are receiving this Court-authorized Notice because you may be a Class Member in a proposed Settlement regarding alleged inaccurate Labeling found on certain Abbott Laboratories brand formula Products.

This Notice explains the nature of the lawsuit and the Claims being settled, your legal rights, and the proposed benefits to the Class.

2. What is this case about?

Judge John D. Beger, of the Circuit Court of Phelps County, Missouri is overseeing this class action lawsuit. The case is known as *Ramsey-Standage v. Abbott Laboratories*, No. 22PH-CV00853. The person who brought the lawsuit is called the “Plaintiff,” and the company she sued is called the “Defendant.”

Plaintiff Hannah Ramsey-Standage filed a lawsuit against Defendant Abbott Laboratories, individually and on behalf of anyone who purchased certain of Abbott Laboratories’ manufactured infant formula Products, including certain Similac and other branded formulas, for personal use between June 24, 2016, and September 22, 2022.

The Plaintiff alleges in the lawsuit that (i) the Label on certain infant formula Products manufactured by Abbott Laboratories states that the Products are capable of making a specified number of liquid 4-ounce bottles of formula, and (ii) the Products do not always yield the represented number of 4-ounce bottles of liquid formula when consumers follow the “Instructions for Preparation & Use” on the Label. Accordingly, the Plaintiff alleges that the Products were inaccurately Labeled.

Defendant Abbott Laboratories denies the Plaintiff’s allegations and denies that it violated any law or caused any harm as alleged in the lawsuit. Abbott Laboratories asserts that its Labeling and marketing is truthful and entirely accurate, and its Products yield the number of 4-ounce bottles of liquid formula represented on the Label, but Abbott Laboratories has settled this case to avoid further litigation and distraction of resources from its business.

The Court has not decided who is right.

To obtain more information about this case and Settlement, please see Section 21, below.

3. Why is there a Settlement?

The Court did not decide in favor of the Plaintiff or Defendant. Instead, both sides agreed to settle this case to avoid the costs, disruption, and risk of further litigation.

The Plaintiff, Class Representatives, Defendant, and their attorneys believe the proposed Settlement is fair, reasonable, and adequate, and is therefore in the best interest of the Class Members.

Full details about the proposed Settlement can be found in the Settlement Agreement available at www.anservingsettlement.com.

4. Why is this a class action?

In a class action, one or more people called “Class Representatives” (in this case, Hannah Ramsey-Standage, Kara Rutenbar Hatmaker, and Rita De Lao sue on behalf of people who have similar claims. All of these people who may have similar claims form a “Class” and are called “Class Members.” The Settlement resolves the issues for all Class Members, except those who exclude themselves from the Class (Opt-Out), as explained in Section 10.

5. How do I know if I am included in the Settlement?

You are included in the Settlement as a Class Member if you live in the United States and you purchased in the United States any of the specified Abbott Laboratories Products (for personal use only) from June 24, 2016, through September 22, 2022.

If you are not sure whether you are in the Class, or have any other questions about the Settlement, visit www.anservingsettlement.com, or write with questions to Ramsey-Standage v. Abbott Laboratories, c/o Kroll Settlement Administration, P.O. Box 225391 New York, NY 10150-5391 or call 833-512-2302.

2. **Individual Claims:** Class Members are eligible for payments with, or without, Proof of Purchase:
 - **Tier 1 – Claims without Proof of Purchase:**

 - or
 - **Tier 2 – Claims with Proof of Purchase:**
You can get up to \$3.00 per Unit purchased for which a valid Proof of Purchase has been provided, up to a maximum of \$45.00 per Household.

A Settlement Class Member may only make a single Claim under either Tier 1 or tier 2 (but not both), per Household.

The deadline to make a valid claim is 11:59 p.m. Central Time on January 31, 2023. To make a claim, please visit www.anservingsettlement.com.

7. How to make a Claim?

You must submit a Claim Form, with or without Proof of Purchase, to be eligible to receive any money from the Settlement, if it is approved by the Court. You may complete the Claim Form online or download a Claim Form at www.anservingsettlement.com. You may also email or call the Settlement Administrator at info@anservingsettlement.com or 833-512-2302 to request a Claim Form. Your Claim Form must be signed under penalty of perjury and postmarked or submitted online no later than 11:59 p.m. Central Time on January 31, 2023.

8. What am I giving up as part of the Settlement?

Unless you exclude yourself (Opt-Out), you will be included in the Settlement if it is approved by the Court. By staying in the Class, you will be eligible to receive monetary benefits provided by the Settlement, to which you may be entitled, and you will release the Defendant from all of the settled Claims in this lawsuit.

This means that you will no longer be able to sue Abbott Laboratories regarding any of the settled Claims if you are a Class Member and do not timely and properly Exclude yourself (Opt-Out) from the Class.

The settled Claims are any known or unknown Claims that any Class Member may at any time have up to September 22, 2022, arising out of the subject matter giving rise to the Claims in the lawsuit. In addition, Class Members expressly waive and relinquish the provisions of California Civil Code § 1542 (and all other similar provisions of law) to the full extent that these provisions may be applicable to this release. California Civil Code § 1542 provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The full text of the Settlement Agreement, which includes all the provisions about settled Claims and Releases, is available at www.anservingsettlement.com.

9. Will the Class Representatives receive any compensation for their efforts in bringing this lawsuit?

Possibly. The Class Representatives (Hannah Ramsey-Standage, Kara Rutenbar Hatmaker, and Rita De Lao) will request a Service Award of up to a maximum total amount of \$20,000.00 in the aggregate, which shall be apportioned equally among the Class Representatives (up to an amount of \$6,500 per Class Representative), to compensate them for their services as Class Representatives and their efforts in bringing the lawsuit. The Court will make the final decision as to the amount, if any, to be paid to each of the Class Representatives.

EXCLUDING YOURSELF FROM THE SETTLEMENT

10. How do I exclude myself (Opt-Out) from the Settlement?

If you do not want to be part of the Settlement, you must send a written request for exclusion (to Opt-Out). The request to exclude yourself from the Settlement must be made on an individual basis, and **received** by the Settlement Administrator at the below address on or before 11:59 p.m. on December 14, 2022:

c/o Kroll Settlement Administration
PO Box 225391
New York, NY 10150-5391

The Opt-Out request must contain the requestor's name, address, the words "I wish to be excluded from the "*Ramsey-Standage v. Abbott Laboratories Class Action*," and signature.

Instructions on how to submit an exclusion request are available at www.anservingsettlement.com, or by emailing or calling the Settlement Administrator.

11. If I do not exclude myself, can I sue later?

No, not if you are a Class Member. If you do not exclude yourself (Opt-Out) from the Settlement and the Settlement is finally approved by the Court, you forever give up the right to sue Abbott Laboratories and the Released Parties for all the Claims that this Settlement resolves.

If you submit a valid and timely request to be excluded (Opt-Out), you cannot Object to the proposed Settlement. However, if you ask to be excluded, you may sue or continue to sue Abbott Laboratories or the Released Parties about the same claims resolved by this Settlement in the future. You will not be bound by anything that happens in this lawsuit.

12. What happens if I do nothing at all?

If you are a Class Member, do nothing and the Settlement is finally approved by the Court, you forever give up the right to sue Abbot Laboratories and the Released Parties for the Claims this Settlement resolves.

THE LAWYERS REPRESENTING YOU

13. Do I have a lawyer in the case?

Yes. The Court has ordered that the Law Office of L. DeWayne Layfield, PLLC; KamberLaw LLC; and Steelman Gaunt Crowley (together, "Lead Class Counsel") will represent the interests of all Class Members. Class Members will not be separately charged for these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

14. How will the lawyers be paid?

Lead Class Counsel will apply to the Court for an award of attorneys' fees and costs of up to \$5,850,000. A copy of the Application for Attorneys' Fees and Costs Award will be available prior to the Fairness Hearing and will be posted on the Settlement Website at www.anservingsettlement.com. The Court will make the final decision as to the amounts to be paid to Class Counsel and may award less than the amounts requested in the Application.

OBJECTING TO THE SETTLEMENT

15. How do I tell the Court that I do not like the Settlement?

If you want to tell the Court that you do not agree with the proposed Settlement, or some part of it, you can submit an Objection explaining why you do not think the Settlement should be approved.

You must deliver your Objection to the Settlement Administrator, Class Counsel, and Abbott Laboratories' counsel, and file with the Court, a written statement of your Objection(s). Your Objection must include all of the following information:

If you or your attorney intends to make an appearance at the Fairness Hearing and you have not so indicated in your Objection, you must also deliver, according to the above procedures, no later than December 14, 2022, a Notice of Intention to Appear, and must also file a notice of appearance with the Court no later than December 14, 2022.

If you fail to comply with these requirements, or fail to submit your Objection before the deadline, you will be deemed to have waived all Objections and will not be entitled to speak at the Fairness Hearing.

16. What is the difference between objecting and asking to be excluded?

Objecting is simply telling the Court that you don't like something about the Settlement. You can Object only if you stay in the Class.

Excluding yourself (Opting Out) is telling the Court that you don't want to be part of the Class. If you exclude yourself, you have no basis to Object because the Settlement no longer affects you.

THE FAIRNESS HEARING

17. When and where will the Court decide whether to approve the Settlement?

A Court has preliminarily approved the Settlement and will hold a final Fairness Hearing to determine whether to give final approval to the Settlement. The purpose of the Fairness Hearing is for the Court to determine whether the Settlement should be approved as fair, reasonable, adequate, and in the best interests of the Class, and to consider the award of Attorneys' Fees and Costs to Class Counsel and to consider the request for Service Awards to the Class Representatives. If there are any valid, timely Objections, the Court will consider them and listen to the people who have asked to speak at the hearing, if a request to do so was properly made,

The Court will hold the Fairness Hearing on December 29, 2022 at 9:00 a.m. in the Circuit Court of Phelps County, Missouri. The hearing may be postponed to a different time, date, or location without additional notice, so it is recommended that you periodically check www.anservingsettlement.com for updated information.

18. Do I have to come to the hearing?

No, you are not required to come to the Fairness Hearing. However, you are welcome to attend the hearing at your own expense.

If you submit an Objection, you do not have to come to the hearing to talk about it. As long as you submitted the written objection and it was received on time, the Court will consider it. You also may pay your own lawyer to attend the Fairness Hearing, but that is not necessary.

19. May I speak at the hearing?

Yes, you may speak at the Fairness Hearing, but you must ask the Court for permission. To request permission to speak, you must have filed an Objection according to the instructions in Question 15, including all of the information required.

You cannot speak at the hearing if you exclude yourself (Opt-Out) from the Settlement.

DO NOTHING

20. What happens if I do nothing?

If you do nothing and the Settlement is finally approved by the Court, you will not get any money from the Settlement, you will not be able to sue for the Claims in this lawsuit, and you release Claims against Defendant and Released Parties.
